North Rockland Business Alliance Committee Summaries

The NRBA is working hard to service the business owners and residents of North Rockland. This is only the beginning and with your help we will continue to grow and our efforts will pull together and be a great success. We have several committees that welcome new volunteers.

- I would like to join; however, I can not participate on a committee at this time. I understand that the NRBA is a working chamber that depends on volunteers and I may/will be available at another time.
- Membership Committee**
Continues to work on recruitment of new businesses and residents. Joining the committee is a wonderful way to network with members of your business community.
- Government Liaison Committee**
A great way to keep up-to-date on our town issues and what is being discussed. We need several people from each of the North Rockland towns to participate. You will be attending town board meetings in the town in which you volunteer for, on a rotating schedule to keep abreast of issues concerning our town. The committee is also responsible for articles written discussing these issues in our newsletter.
- Special Events Committee**
Organizing fundraisers, setting up sub-committees and recruiting sponsors for fundraisers.
- Public Relations Committee**
The committee will be responsible for publishing all meetings and events. It will also be responsible for researching and developing a website.
